

Griller Radiant Freestanding Gas

“The 6 Radiant is suitable for many kitchen and cooking applications. The robust construction coupled with gas as an energy source ensure that the unit is ideal for use in remote places without access to electricity.”

Model: GGA3006

APPLICATION

- This Griller is ideal for use by restaurants, confectionaries, coffee shops and caterers

CONSTRUCTION

- Powerful efficient burners
- Quality gas valves
- Robust modular construction
- Stainless steel splash guard fitted as standard
- Can be used as a table top unit
- Supplied flat packed
